## It's Rodeo Time

Saddle up for a great time during the Stuttgart Rodeo, USA Country & Western Fest at Robinson Barracks. This annual event is presented by the Stuttgart United Service Organizations and the 6<sup>th</sup> Area Support Group MWR. The fest takes place Sept. 5, 6, 7, 12 and 13. Shows will be held at 2 and 5 p.m. (except Sept. 7) and last approximately two hours each. In addition, there promises to be something for everyone at the fest tent, which opens at noon.

Event attractions include carnival rides, country and western bands, Karaoke contest, and a variety of fest foods. There will also be a drawing for a round-trip ticket to the continental United States. Typical crowd-pleasing events at the rodeo include barrel racing, calf roping, bucking broncos, bull riding, clowns and the wild horse chase.

Participants in the rodeo are members of the European Rodeo Cowboy Association. The association puts on approximately 16 rodeos from April to October. Approximately 85 percent are active duty service members.

For emergencies or hospital admissions after hours, please notify the Stuttgart Health Clinic's health benefits advisor or patient liaison as soon as possible after visiting a German Krankenhaus (hospital) emergency room or if you have been admitted to a local Krankenhaus. This will decrease the possibility of receiving a bill in the mail for medical services. For more info call 0711-680-8638/8624.

### **Road Closure on Patch**

The access road to the EUCOM HQs mall will close for renovation close of business July 19. The renovation will include widening the road and upgrading some terrain. Two additional projects, replacing the fencing around the tower and the tanks, will be going on at the same time. The projects are expected to last from six to eight weeks.

Parking is available in front of the schools, behind the elementary school (next to the playground, with entrance at school corner). The street parking on the west side of Arkansas Street (quarters being renovated) is presently available to the public. The street in front of the fitness center (Pennsylvania Street) is now one-way with parking authorized on the field side of the road. For more info call Maj. ### **Public Notice**

### **Pet Shipment Restrictions**

Shipping the family pet back to the states is expensive and can become difficult during the

summer months. The five U.S. air carriers serving Germany, American Airlines, U.S. Air, Northwest Airlines, Delta and United Airlines/Lufthansa, have all announced restrictions on pet shipments. American Airlines will not ship pets until September. U.S. Air will take pets, but only from Frankfurt. Northwest Airlines will only take pets on certain types of aircraft. Delta and United will only take between seven and 10 pets per aircraft. The Official Travel section will attempt to make reservations for pets on the same flight as the traveler. However, the Official Travel section cannot use a specific airline or alternate routing in order to move a pet if it involves excess cost. All costs associated with pet shipment are the service member's responsibility. If the pet cannot be booked on a flight with the member, a freight company must ship the pet.
